

Individual Membership - 2019

Individuals who will benefit from membership in the *Mentor Support Network* are those who volunteer or work as mentors, those who are involved in supporting youth and those who have an interest in ensuring young people are supported to complete their education.

Every new member of the *Mentor Support Network* receives a pin they can wear with pride to tell others of their support of mentoring. It is our way of saying thank you for the big difference you make.
